### **Assessor/Recorder/County Clerk Reminds Business, Aircraft, and Vessel Owners of May 7, 2014 Filing Deadline**

**San Diego, CA-** San Diego County Assessor/Recorder/County Clerk, Ernest J. Dronenburg, Jr., wants to remind all business, aircraft, and vessel owners that the deadline to file their property statement without a penalty is May 7, 2014. All filings received and/or postmarked after May 7, 2014 will be subject to a 10% late filing penalty.

In January, approximately 84,000 statements and notices were mailed out to business, aircraft, and vessel owners. This included over 57,000 business accounts that were deemed eligible to file electronically. Ernie Dronenburg strongly encourages eligible business owners to e-file their statements online by May 7, 2014. The online e-file process is easy to access, easy to use and generally takes only a few minutes to complete.

Ownership and taxability of all personal property is determined each year as of January 1. Any taxpayer receiving a statement or notice who was not the owner as of January 1, 2014 should return the statement or notice with all closing information as soon as possible. This information will be used to update the Assessor's records and future assessment notices.

Please call the Kearny Mesa Branch Office if you need assistance filing for 2014 or if you would like to request a statement. You may also visit our website for additional information and to access our online e-file system. The Assessor/Recorder/County Clerk's website address is [www.sdarcc.com](http://www.sdarcc.com) or call the Business Personal Property Division at (858) 505-6100.

Please do not delay because the May 7 penalty date is quickly approaching.
