## **Dronenburg Announces “Walk-In-Wednesday” for Marriage Ceremonies is Back!**

Summer is fast approaching and the popular season to “tie the knot” is almost here. Assessor/Recorder/Clerk of San Diego County Ernie Dronenburg announced that after the success of last summer’s “Walk-In-Wednesday” program, his downtown office at the County Administration Center, will again offer marriage services without the need of an appointment.

“Beginning June 18, 2014 through August 27, 2014, couples who would like to obtain a marriage license and/or have their ceremony performed by one of my amazing staff may come in on Wednesdays without an appointment. Walk-in customers will be seen on a first come/first serve basis,” stated Dronenburg.

The cost of a marriage license is \$70.00. If the couple would like to be married by enthusiastic County staff, the cost is an additional \$88.00. In addition, as a special remembrance of their wedding, couples may also purchase mementos that include a silver-framed digital photograph, “Just Married” bumper sticker, or a decorative wedding keepsake certificate.

Couples that have appointments at the County Administration Center will be given priority. And, as always, Marriage Licenses and Ceremonies are also available at our Chula Vista, El Cajon, and San Marcos offices by appointment only. To make an appointment for any of our locations, please call (619) 237-0502. All offices are open from 8:00 a.m. to 5:00 p.m. Couples can save waiting time by downloading their license application online at [www.sdarcc.com](http://www.sdarcc.com) and have it completed before coming into the office. The website also contains important information about the marriage license process including Frequently Asked Questions, which may be helpful when planning your special day.

Dronenburg concluded by saying, “I guarantee that any couple who is in our office, with the required identification and documents, by 5:00 p.m. during Walk-In-Wednesdays will walk out married that same day.”

**EDITOR’S NOTE:** Media is invited to cover wedding ceremonies at the County Administration Center at 1600 Pacific Highway on Walk-In-Wednesdays, with permission from the couples. Ernie is available for taped or live appearances to share details on this special program.
