INSTRUCTIONS FOR THE CEREMONY AND COMPLETION OF THE MARRIAGE LICENSE

A Deputy Commissioner of Civil Marriages may solemnize one marriage under the direction of the Commissioner of Civil Marriages and under ALL of the following conditions and limitations. Please read these instructions **before** performing the ceremony.

- The marriage may only be solemnized on the dates specified on the face of the appointment and Oath of Office form. The parties to the marriage must present a marriage license to the deputy prior to the ceremony as stated in Family Code 421. Solemnizing a marriage without first being presented with a marriage license, willfully making a false return of any marriage license or pretend marriage license to the county clerk is guilty of a misdemeanor under Penal Code Section 360.
- DO NOT use whiteout, correction fluid, or make ANY changes or corrections if a mistake has been made. The license CANNOT be recorded if altered in any way. If there is a mistake, please notify the County Clerk when returning the license. A duplicate license must be issued for an additional fee of \$34.00.
- Using **DARK (black or blue)** ink, the deputy MUST fill in the following on the license: the date and place of the solemnization (ceremony), his/her signature and printed name, title, and address.
- Since this is a civil commission there is no religious denomination, therefore enter one dash mark – in the field requesting religious denomination. The title should be printed in as **Deputy Marriage Commissioner**.
- The deputy MUST have at least one witness sign, but NO MORE than two, on a “Non-Confidential Marriage License”. Witnesses are not required for a “Confidential Marriage License”.
- No specific vows are required for the ceremony, but the parties **must** declare, in the presence of the deputy, that they take each other as spouses. The San Diego County Clerk has provided a sample of the civil marriage ceremony vows.
- When completed, the deputy MUST return the marriage license within 10 days of the ceremony for recording to the County Clerk. Failure to return a license for recording is a misdemeanor pursuant to Health and Safety Code 103785.
- The deputy shall not receive any money or anything of value for performing a marriage ceremony.

California Family Code 421

Before solemnizing a marriage, the person solemnizing the marriage shall require the presentation of the marriage license. If the person solemnizing the marriage has reason to doubt the correctness of the statement of facts in the marriage license, the person must be satisfied as to the correctness of the statement of facts before solemnizing the marriage. For this purpose, the person may administer oaths and examine the parties and witnesses in the same manner as the county clerk does before issuing the license.

California Health and Safety Code 103785

Every person who is required to fill out a certificate of birth, fetal death, or death, or marriage license and register it with the local registrar, or deliver it, upon request, to any person charged with the duty of registering it, and who fails, neglects, or refuses to perform that duty in the manner required by this part is guilty of a misdemeanor.

California Penal Code 360

Every person authorized to solemnize any marriage, who solemnizes a marriage without first being presented with the marriage license, as required by Section 421 of the Family Code; or who solemnizes a marriage pursuant to Part 4 (commencing with Section 500) of Division 3 of the Family Code without the authorization required by that part; or who willfully makes a false return of any marriage or pretended marriage to the recorder or clerk and every person who willfully makes a false record of any marriage return, is guilty of a misdemeanor.
